SUBJECT: Use of Abbreviations

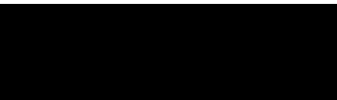

REFERENCE: DCI Memorandum dated 22 October 1953

1. The attention of all OTR personnel is directed to the following extract of the referenced memorandum:

"1. There is an increasing tendency within the Agency to employ abbreviations in communications addressed to the Director and Deputy Director, without ensuring that they are clearly explained.

"2. It is therefore requested that your respective offices be instructed, when preparing correspondence to be brought to the attention of the Director and Deputy Director, to spell out each title in the first instance, followed by the abbreviation enclosed in parentheses. Thereafter, in that communication, abbreviations will suffice."
